Oroville Dam Auxiliary Spillway Incident

On 04/29/17 at 1344 hours the Department of Water Resources (DWR) advised the California State Warning Center (CSWC) that they were decreasing the flow to manage Lake Oroville's water surface elevation and to safely close the Flood Control Spillway.

- The Hyatt Powerplant outflow was increased from 0 cfs to 8,000 cfs.
- The Oroville Dam Flood Control Spillway flow will eventually be curtailed from 35,000 cfs to 0 cfs.

Per the DWR Flood Operations Center and California Data Exchange Center (CDEC) [as of 05/06/17 at 1800 hours](#):

- Inflow: [15,085](#) cfs.
- Outflow: [7,974](#) cfs.
- The current lake elevation is [843.88](#) feet.

Mission Tasking

- 2017-SOC-33363: Road Repair (Butte County) – On Scene.
- 2017-SOC-34379: Caltrans engineer to visually inspect and conduct Impact-Echo Testing on the gated concrete spillway floor – On Scene.
- 2017-CalOES-34685: Asbestos Monitor (Butte County) – On Scene.

SITUATION SUMMARY

Cal OES COASTAL REGION

Valero Refinery Flaring Incident, Benicia, Solano County (Final)

At 0704 hours, the CSWC received a report that the Valero Refinery in Benicia, Solano County experienced a power interruption resulting in a flaring incident.

- Per Cal OES Law Duty Officer (LDO), the Benicia Industrial Park was evacuated and the industrial park closed to include the offramp from I-680. Evacuees were directed to the Benicia Community Center.
- As of 1402 hours on 05/05/17, the shelter-in-place orders in place for Matthew Turner and Robert Semple Elementary Schools were lifted.
- Solano County closed their EOC at 1402 hours 05/05/17.
- Power was restored to the refinery and efforts are underway to control the release.
- As of 1630 hours on 05/05/17, the City reported that pollutants in the air have begun to dissipate.
- The Valero Refinery resolved the flaring issue and the City of Benicia has closed their Emergency Operations Center.

Bay Area Rapid Transit (BART) track closures

BART plans to close the tracks between Fruitvale and Lake Merritt Stations to perform vital repairs on select weekends through July. The next closure is planned to occur this weekend: 05/06/17-05/07/17.

- During the closures there will be no train service between Fruitvale and Lake Merritt and the Lake Merritt Station will be closed.
- A free bus bridge will operate between Fruitvale and 19th St. Stations in Oakland to shuttle riders around the closure.
- Riders on the Fremont, Dublin and Oakland Airport lines will be impacted adding 20 to 40 minutes to travel times

SITUATION SUMMARY

2017 February Storms

Cal OES Coastal Region

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.

Per the Cal OES Coastal Duty Officer (CDO), as of 04/27/17, Hwy 1 from the south is closed at Ragged Point and is open at specific intervals to local traffic only. The bridge has been demolished so the road is closed and estimates for some access from the north is late September 2017.

River Forecast - The following rivers are forecast to meet or exceed Monitor Stage:

- [Solano County: Sacramento River at Rio Vista](#)

Cal OES Inland Region

River Forecast - The following rivers are forecast to meet or exceed Flood stage:

Placer County:

- Truckee River at Truckee is forecast to be above flood stage at [4.6](#) feet the morning of 05/07/17.
 - Potential Impacts: Flood Stage. Minor flooding from Bear Creek in the Alpine Meadows area to Truckee. Truckee River bike path between the River Ranch at Alpine Meadows Road to Tahoe City begins to flood. Basements and yards of some low-lying homes along the river begin to flood. Deep Creek Campground begins to flood. About 2270 cfs. USGS estimates this much flow has about a 1 in 4 chance of being exceeded any year.

Mariposa County:

- Merced River at Yosemite at Pohono Bridge is forecast to be at or above flood stage at [10.7](#) feet and is receding.
 - Potential Impacts: Water tops the swinging bridge downstream from Chapel Meadow. Overflow from Woski Pond floods access road (Northside Drive) leading out of the west entrance of the park.

River Forecast - The following rivers are forecast to meet or exceed Monitor Stage:

- [Plumas County: Middle Fork Feather River at Portola](#)
- Alpine County: West Fork Carson River at Woodfords, East Fork Carson River at Markleeville
- San Joaquin County: San Joaquin River at Vernalis
- Stanislaus County: Tuolumne River at Modesto
- Merced County: Merced River at Stevenson

CA 911 Outages		
Northern California	Central California	Southern California
No 911 Outages	911 Outage	No 911 Outages

Service Interruptions:

Landline/911 Outage, Kern County

On 05/06/17 at 1653 hours the Kern County Fire Department advised the California State Warning Center (CSWC) of a landline/911 outage affecting portions of Kern County.

- The outage began at approximately 1615 hours.
- It is estimated that less than 1,000 people are being affected by the outage.
- Frontier Communications is aware of the situation and is working on the problem.
- It is unknown what caused the outage and it is unknown what time service will be restored.
- Kern County Sheriff's Office is reporting that their PSAP is working and also receiving Ridgecrest PD's rerouted calls.
- Cal OES 9-1-1 Branch will provide updates as they become available.

Remote/Community Isolations:

- None reported

WEATHER OF CONCERN

Weather of Concern

- Seasonably cool day ahead for Northern California with temperatures as much as 20 degrees cooler than yesterday. High temperatures will be 5 to 10 degrees below normal this afternoon. Breezy conditions expected for the northern Sacramento Valley, and scattered thunderstorms for the Sierra are possible this afternoon.

Active Weather Warnings, Watches and Advisories by County:

- http://www.wrh.noaa.gov/sto/brief/www_bc_cal.php - Temporarily unavailable.
- <https://alerts-v2.weather.gov/counties/CA>

WEATHER SYNOPSIS BY REGION

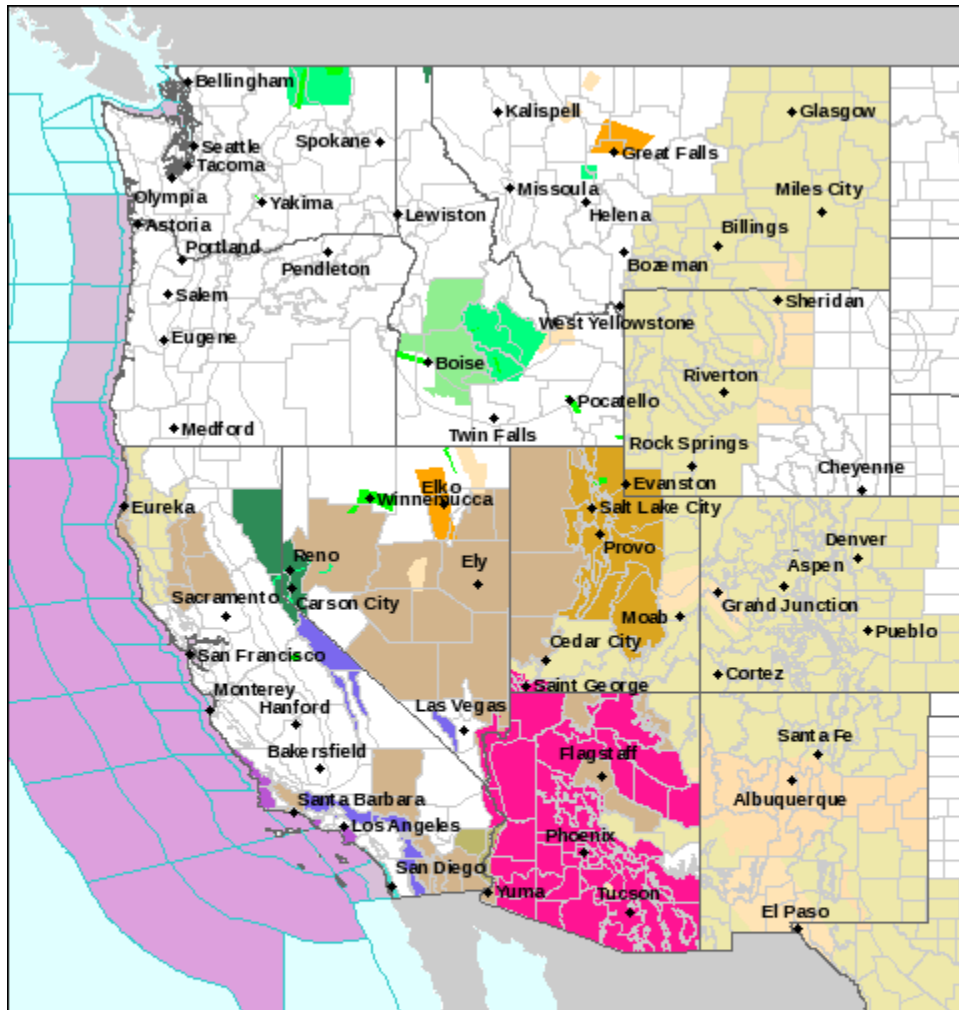

NORTHERN CALIFORNIA

The weather will be cooler with a chance of mountain showers and thunderstorms this weekend. Gusty north winds Sunday and will be warm again early next week. A high amplitude trough continues to approach northern California as of early this morning with mostly cloudy high level cloud cover. Temperatures range in the mid to upper 50s in the Valley with the lower 40s in the mountains. Radar returns showed a few scattered showers over the northern mountains, but otherwise the rest of the forecast area remained dry overnight.

SOUTHERN CALIFORNIA

An unseasonably cold trough of low pressure originating from the Gulf of Alaska will slowly move over the region through Tuesday. A cool, unsettled, and showery weather pattern will develop today and linger into early next week, along with periods of breezy to gusty winds and possible mountain snows down to around 4000 feet. Warmer and drier weather is expected for latter half of next week.

Cal OES LAW ENFORCEMENT MISSIONS

Closed Cal OES Law Missions

- **2017-LAW-35637, 05/04/17, 1820 hours,** LDO was notified of an In-Reach SOS activation by IERCC. Coordinates: 33° 28' 35.9" N / 116° 34' 38.5" W, which plot on the Pacific Crest Trail in Riverside County. IERCC was able to communicate via text with the registered owner who stated the party she was with was experiencing dehydration and possibly drank contaminated water. The ill hiker was a 43 YO male and requested ambulance transport to a hospital. LDO notified Riverside County Sheriff who assigned incident #D17124071. **Update, 2030 hours,** the ill hiker was located and rescued by Riverside County Sheriff. He was airlifted to Hemet Valley Hospital suffering from dehydration. **Mission Closed.**
- **2017-LAW-35629, 05/04/17, 1234 hours,** LDO was notified of an In-Reach SOS activation by IERCC. Coordinates: 32° 4'9 4" N, 116° 25' 4" W, which plot on the Pacific Crest Trail in San Diego County. IERCC attempted to reach the registered owner as the In-Reach device had texting capability, but no response was received. The LDO notified San Diego County Sheriff. At approximately 1256 hours, LDO was contacted by IERCC who stated the registered owner had accidentally activated her device. San Diego Sheriff was cancelled. **Mission Closed.**

Cal OES MISSIONS

Cal OES Missions

- **2016-IREOC-21748:** Tasking Caltrans to extend state highway right of way to facilitate hazard tree removal. This is a long term mission and is expected to remain in place through the summer months. **Mission Ongoing.**
- **2015-IREOC-19846:** One RAWS weather station to Amador OA – On scene 11/30/15, expected to be left in place until May 2017. **Mission Ongoing.**

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
